

If you do NOT notify us within 60 days after the unauthorized transfer appears on your statement, and we prove we could have stopped someone from using your card and/or code without your permission if you had told us within 2 days of when you discover the loss or theft of your card and/or code, you could lose as much as \$500.00 for unauthorized transfers that appear on the statement.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we may extend the time periods.

Error Resolution Notice

In case of errors or questions about your electronic transfers, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt call or write any HPCU location(s) as soon as you can. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

(1) Tell us your name and account number (if any).

(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error, or why you need more information.

(3) Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time,

however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless a prior established account was held with us before this account was opened. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Electronic Fund Transfers Your Rights and Responsibilities

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

ATM Transfers – Types of Transfers and Dollar Limitations

You may access your account(s) by ATM using your Debit MasterCard and personal identification number (PIN) to:

- Get cash withdrawals from share draft account(s)
 - A maximum of \$500.00 in cash per day
- Get Information about:
 - The account balance of your share draft or share savings account(s)

* Some of these services may not be available at all terminals

** Please also see **Limitations on Frequency of Transfers** section regarding limitations that apply to ATM transfers.

Types of Debit MasterCard Point-of-Sale Transactions

You may access your share draft account(s) to purchase goods (in person, online, or by phone), pay for services (in person, online, or by phone), get cash from a merchant (if the merchant permits), or from a participating financial institution, and do anything that a participating merchant will accept.

Point-of-Sale Transactions – Frequency and dollar limitations

- You may make no more than 20 transactions per 24 hour period

*Please also see **Limitations on Frequency of Transfers section** regarding limitations that apply to debit card transactions.

Currency Conversion and Cross-Border Transaction Fees – If you make a transaction with your Debit MasterCard in a currency other than US Dollars, MasterCard will convert the charge into a US Dollar amount. The MasterCard currency conversion procedure includes use of either a government-mandated exchange rate, or a whole sale exchange rate selected by MasterCard. The exchange rate MasterCard uses will be a rate in effect on the day the transaction is processed. This rate may be different from the rate in effect on the date of purchase, or the date the transaction was posted to your account. MasterCard charges a Currency Conversion Assessment of 20 basis points (.2% of the transaction) for performing the currency conversion. In addition, MasterCard charges an Issuer Cross-Border Assessment of 90 basis points (.9% of the transaction) on all crossborder transactions regardless of whether there is a currency conversion. A cross-boarder transaction is a transaction processed through the Global Clearing Management System or the MasterCard Debit Switch in which the country of the merchant is different than the country of the cardholder.

Advisory Against Illegal Use – You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

Limitations on Frequency of Transfers – In addition to those limitations on transfers elsewhere described, if any, the following limitations apply:

- During any month, you may not make more than six withdrawals or transfers from a share savings account to another credit union account of yours or to a third party by means of a preauthorized, automatic, or computer transfer, telephonic order or instruction, or by check draft, or similar order to a third party. If you exceed the transfer limitations your account will be subject to closure.

- (2) If the ATM where you are making the transfer does not have enough cash.
- (3) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- (4) If you have an overdraft line and the transfer would go over the credit limit.
- (5) If through no fault of ours you do not have enough money in your account to make the transfer.
- (6) There may be other exceptions stated in our agreement with you.

Confidentiality

We will disclose information to third parties about your account or the transfers you make:

We will be liable for all unauthorized transfers unless the unauthorized transfer was due to the loss or theft of your card and/or code.
